# Crossens Community News

## the next step

For most of this year the committee has been working to secure funding to improve your community centre.

At last we can announce that our funding bids have been successful, and building work will start in September.

Regular readers will know that the plan will give a bigger improved main hall and add much needed storage space, as well as a first class kitchen and catering facilities. The new centre will better serve our Crossens community.

Since most of the work is external it will be business as usual while the improvements go on, we hope you will come to our Summer Fayre and enter "Crossens Got Talent" on 5th Sep. Whilst on this page is an update on the regular weekly programme of events please feel free to join in.

Any queries or suggestions for future activities please contact Chair Elaine Price on 225884 or Sec. Steve Jowett on 227507

Email:- mail@crossens.org.uk

Check the web site at:- [www.crossens.org.uk](http://www.crossens.org.uk)
