HAPPY NEW YEAR! To all and welcome to the first community association newsletter of 2009. Here you will find details of events coming up in the next couple of months as well as details of our weekly programme of activities. Regular readers will know that your community association has plans in place to improve and extend the Community Centre, planning permission has been granted to extend the main room and add on storage rooms and a proper kitchen, we are now involved in funding bids to make it all happen, but in the meantime we will continue to support a wide range of activities for all here in Crossens.
