Big Plans for Community Centre

Ten years after the formation of the Crossens Community Association and only two years or so since the renovation of the old library building at Rufford Road Recreation Ground, when the building re opened with revamped changing rooms and showers as well as the community room, patio area and car parking spaces, your community association has announced ambitious plans to further extend the building and improve the facilities on site. In order to cater for the needs of the different groups that now use the centre there are plans to extend the main room, increase much needed storage space and add kitchen facilities. Plans have been submitted for the scheme, watch out for further developments.

Registered Charity

Your local community association has recently successfully applied to become a registered charity. Welcoming the move association Chair Elaine Price said "This is good news for the association and Crossens. Whilst we will continue to focus on serving our community our supporters can be reassured that we will also comply with high standards of financial reporting. It is important that they know that every penny raised will go to further improve the facilities that we can provide here in our village.

Hire the Community room

Organising a party or special event? The main room in the Community Centre at Crossens Recreation Ground on Rufford Road could be just the place for you. Excellent facilities and very reasonable rates too!

For details and to book just call Elaine Price on 225884, or go to www.crossens.org.uk where you can download a booking enquiry form.

Monthly Meetings

The Community Association meets on the third Friday in the month at 7 pm, in the community centre.

If you wish to get involved, or have any ideas for future events, - or maybe you wish to book the room for your own function you can meet us there or find contact details at the foot of this page.

NEW! Fruit & Veg. Scheme

WRVS and Brighter Living Partnership have now started a Fruit and Veg Cooperative at the Community Centre. Local residents can order large bags of fruit, vegetables and salad for £2.50 each. This will offer a considerable saving when compared to supermarkets. Free range eggs are available at £1.00 for half a dozen or £3.50 for a tray of 30 eggs.

The scheme will run on Thursdays between 12 and 4pm. Orders are placed and paid for one week to be collected the following week. WRVS are looking for volunteers to help run the schemes by packing bags and managing the orders. For further information please contact Ian Mitchell at Brighter Living on 01704 501024 x 205 or Mandy Naylor at WRVS on 07714 898678.
